

Brow Aftercare

Day 1 (day of appointment)

- **Blot** brow every 15 minutes with a clean damp tissue to collect lymph *(for a couple hours)*

Day 2: Morning

- **Wash** brows with mild soap
- **Moisturize** with a thin layer of ointment provided*

**Aftercare bags are enough to cover your initial appointment and your complimentary 8-week touch up. Additional quantities are available for a small fee.*

Day 3 through Last Day of Peeling

- **Wash** brows with mild soap 1x/day
- **Moisturize** with a thin layer of ointment provided 3x/day

Stages of Brow Healing

Day 1:

I love my brows... but they're a little bit dark?!

Day 2-4:

OMG what did Jill do to me?! My brows are too dark & thick!

Day 5-10:

Yikes! My brows are scabbing, flaky and uneven! I hate Jill!

After a few weeks:

Wait... now they're too light! I need more color when I see her again!
